

# WRANGLER

Steve Farrar is the founder and chairman of Men's Leadership Ministries. He is a graduate of California State University, Fullerton, where he majored in Speech Communication. He holds a Master's degree from Western Seminary in Portland, Oregon and an earned doctorate from Dallas Theological Seminary in Dallas, Texas.

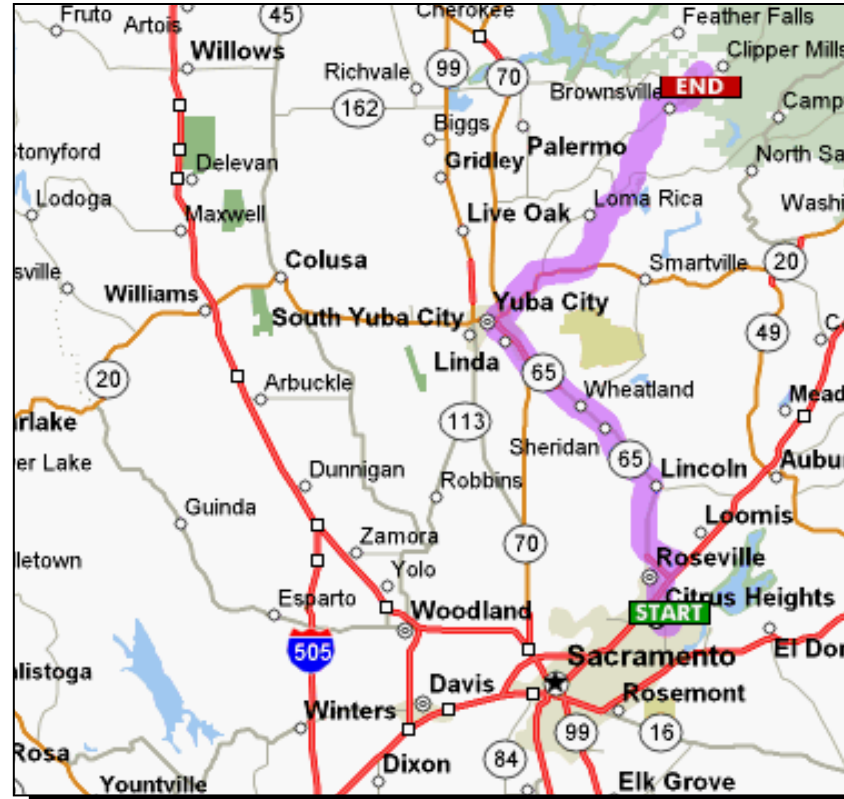

In writing his doctoral dissertation, Steve surveyed over 1,000 men from across the nation and questioned them about their marriages, their children, their careers and their ethics. Steve's original research into the needs of Christian men became the basis for his conferences and his books.

Steve Farrar is the author of the best-selling book "Point Man: How a Man Can Lead His Family." With over 500,000 copies now in print, "Point Man" was the catalyst for his leaving the pastorate after 15 years and focusing his ministry on equipping men for spiritual leadership. Since the release of "Point Man" in 1990, Steve Farrar has authored many other books and is a frequent speaker for Men's Leadership Ministries conferences, Promise Keepers and many other events throughout the nation.

Steve and his wife have three grown children and reside in suburban Dallas, Texas.
